ORDER

On October 26, 2016, the United States Magistrate Judge's Recommendation was filed and notice was served on Petitioner pursuant to 28 U.S.C. § 636. Petitioner filed objections [Doc. #75] to the Recommendation within the time limit prescribed by Section 636. The Court has reviewed Petitioner's objections *de novo* and finds they do not change the substance of the United States Magistrate Judge's Recommendation [Doc. #73], which is affirmed and adopted.

IT IS THEREFORE ORDERED that Petitioner's Motion to vacate, set aside or correct sentence [Doc. #38], as amended, is DENIED, and this action is DISMISSED, and that, finding no substantial issue for appeal concerning the denial of a constitutional right affecting the conviction, nor a debatable procedural ruling, a certificate of appealability is DENIED.

This, the 28th day of November, 2016.

United States District Judge
